March is here and spring should be here soon. The last of February however, was very nice temperature wise. The temperatures themselves make you wish for spring! Perhaps it will increase the spring in our steps and make us want to become more active and involved in sharing Christ and helping our fellow man. The news lately indicates our fellow man needs a lot of help and Christ is the only one that can help in some of these situations! Let's all continue to pray for Christ's leadership and guidance! If you need someone to talk to your WMU groups, I understand one of the house mothers or house parents from the Chattanooga campus of the Children's Home are willing to come and speak to your group on Sunday or Wednesday night by calling the Cummings at 423-510-0962, or you could even have someone from the Adult homes to come talk as well.

Minute with Mike Young, D. Min.,
Associational Director of Missions

It has been a long, cold winter, and I am eager for warmer weather and the end of the flu and bad colds. I have grown tired of seeing bare trees and not even Dandelions poking their heads through the dead leaves covering the ground. I long to see the woods turn green once more. In longing for Spring, I forget that every day, regardless of the weather, or our circumstances, is a gift from God, as the Psalmist reminds me in Psalm 118:24, to be used for his glory. In every season, even Winter, there is a reason to rejoice and an opportunity to do good, as Solomon says in Ecclesiastes 3:12. The challenge to me is to find something to rejoice about every day, even on a dark, gloomy, and cold Winter day and find some good to do, and then hopefully to do both. I need to remember each day that God has plans for me as he did the prophet Jeremiah in Jeremiah 29:11 even when there is a gloomy forecast. Regardless of whether March come in like a lion or a lamb I plan to find something to rejoice about and some good to do. Will you?
